The Wheat in the Barley

Vancouver-based folk music group, The Wheat in the Barley, takes students on a whirlwind trip around the world to lands from which the early pioneers migrated to Canada centuries ago. Experience the music of Ireland, Russia, the Ukraine and more, that has thrived for centuries as a most precious heritage.

Through concerts, the band introduces other aspects of a diverse folk music legacy, such as the bluegrass and old-time traditions of Canada and the United States. Musical selections feature a range of acoustic instruments used in both the folk and classical traditions.

Showcase • Three tunes: an instrumental Celtic/Country jam; a Ukrainian circle dance; and a Celtic instrumental sing-a-long.
